

Financial Reporting, Compliance & Valuation

Are you ready to navigate equity award valuation and financial reporting with confidence?

From simple Black-Scholes valuation or Monte Carlo simulation to financial reporting for complex Employee Stock Purchase Plans, Infinite Equity understands that equity compensation has evolved into the need for a more sophisticated way of accounting. Gain peace of mind with a partner that has the expertise to help you every step of the way.

“

What sets Infinite Equity apart is its ability to adapt to our unique management accounting needs, providing tailored solutions that address our specific challenges. Their proactive approach and attention to detail have been extremely valuable, knowing that our valuations are in expert hands. Infinite Equity has not only simplified our equity compensation processes but has also added value through its insights and recommendations for optimizing efficiencies and tackling unique accounting issues.

With Infinite Equity by our side, we've found a reliable partner who brings automation, control, and efficiency to even the most challenging scenarios. Their commitment to excellence and client satisfaction makes them an invaluable asset to our team.

- Pay vs. Performance Support
- And much more...

Take the Complexity Out of Equity Reporting

Our team of experts have the most rigorous designations including FSA, CEP, JD, and CPAs. They bring automation, control, and efficiency to your equity management. We provide financial reporting services for companies large and small with different accounting needs or in unique tax situations.

Navigate Changing Regulatory Environments with Ease

In an environment of increasingly complex equity award reporting standards and burgeoning regulatory scrutiny, Infinite Equity helps our clients resolve financial reporting issues successfully.

Our team provides versatile reporting solutions tailored to all types of awards, requirements, and administrative systems.

Specialized Expertise for All Your Reporting Needs

Simplify the complexities of financial reporting and compliance into a streamlined, manageable process. Here's how our services give you peace of mind and elevate your equity compensation reporting:

Outsourced Financial Reporting

Stay compliant with tailored reporting services for stock-based compensation, suitable for both large corporations and small businesses, covering a diverse range of share-based payment awards.

Equity Valuation & Financial Reporting

Gain confidence with our comprehensive valuation and financial reporting solutions, ranging from Black-Scholes valuations to complex Monte Carlo simulations, tailored for both private and public companies.

Expert Support for Evolving Challenges

Address complex reporting demands including dynamic forfeiture recognition and reconciliation of deferred tax assets, enhancing the accuracy and compliance of equity instruments reporting.

Award Modification & Transactional Support

Tackle nuanced award modifications, from simple adjustments to complex re-pricing, and bespoke solutions for M&A and spin-off transactions with our expert team.

Comprehensive Award Design

We assist in strategic award design, focusing on comprehensive accounting implications and developing tailored valuation models and assumptions.

Auditable Reports & Disclosure Visualization

Our services include delivering certified reports with detailed analysis for audit teams, and providing clear insights into the financial impact of award designs.
