

# Equity Administration

## Global Equity Plan Compliance Services

How much time could you save if your global equity plan was managed seamlessly with full compliance and optimized performance?

### Extend Your Stock Plans Globally with Confidence

Managing a global equity plan can be a maze of regulations, tax laws, and administrative complexities. Infinite Equity offers unmatched expertise and a proven approach to ensure your equity programs are fully compliant and tailored to deliver maximum impact across diverse regions.

“Infinite Equity excels at translating complex global requirements into actionable solutions. Their proactive approach to compliance challenges and deep understanding of local regulations have been instrumental in successfully expanding our equity programs internationally.”

Frank Lawton | AGCO Corporation

### Our Solutions Include:

- Global Equity Compliance & Tax Expertise
- Equity Plan Design & Optimization
- Streamlined Equity Administration
- Participant Communication & Education
- Regulatory Reporting & Risk Management

### Global Equity Solutions That Deliver Clarity, Compliance, and Confidence.

#### Practical Solutions Through Deep Expertise

Infinite Equity combines extensive technical knowledge with real-world implementation experience. Our solutions are grounded in practical experience, not just theory—ensuring your plans are both technically sound and operationally efficient.

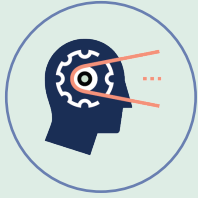

#### Extensive Global Network

With coverage in over 100 countries, our services deliver precise compliance with local regulations, reducing risk and maximizing program effectiveness across global markets.

#### Flexibility to Meet Changing Regulations

As global tax and regulatory landscapes evolve, we proactively adjust your plans to maintain compliance, minimizing your administrative burden.

# Our Services Deliver:

## Technical Review & Compliance

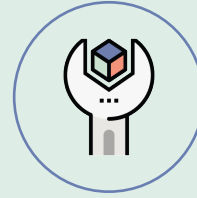

*Stay Ahead of Regulatory Changes*

**Country-Specific Expertise:** Comprehensive tax and regulatory due diligence ensures your plans meet local standards.

**Qualified Plan Analysis:** Detailed assessment of tax-advantaged structures aimed at reducing costs and optimizing plan ROI.

**Global Coordination:** Seamless integration of foreign tax and regulatory filings, reducing the risk of costly errors.

**Remediation Services:** Address potential compliance issues before they become liabilities.

## Plan Administration

*Simplify and Streamline Operations*

**Optimized Global Processes:** Efficient, standardized workflows tailored to your specific equity plan needs.

**Strategic Withholding Approaches:** Optimize withholding by leveraging country-specific tax rates, while balancing cash flow and dilution considerations.

**Data-Driven Decisions:** We manage plan metrics and ensure accuracy in all reporting.

## Communications & Training

*Empower Your Team & Participants*

**Tailored Employee Communications:** Simplify complex tax information to enhance participant understanding and engagement.

**Comprehensive Staff Training:** Equip HR, payroll, and finance teams with the knowledge they need to manage your plans in an efficient, compliant manner.

**Participant Engagement:** Demystify equity compensation and boost value realization for participants worldwide.

## Project Management

*Execution Made Easy*

**End-to-End Implementation:** From initial planning to final execution, we manage every step to ensure success.

**Stakeholder Coordination:** Align key players to keep projects on track and avoid potential pitfalls.

**Efficient Oversight:** Proactive monitoring of every workstream guarantees timely and effective outcomes.
