

# SIMPLIFY PROXY REPORTING

Turn regulatory complexity into clarity and confidence with precise, compliant proxy and PvP reporting.

Infinite Equity turns the burden of complex proxy tables and Pay-vs-Performance (PvP) disclosures into a seamless, compliant process. Our expert team delivers precise, disclosure-ready reports that reduce risk, save time, and instill confidence with your auditors, board, and shareholders.

## WHAT WE DELIVER

We prepare SEC proxy and PvP tables with unmatched precision — ensuring every disclosure is audit-defensible, compliant, and strategically sound.

*“Infinite Equity made our proxy tables and Pay-vs-Performance disclosures accurate, compliant, and stress-free. Their expertise gave our finance team and board full confidence, while saving us time and reducing risk. What used to be a heavy lift is now a seamless, audit-ready process. Partnering with Infinite Equity gave us peace of mind that our disclosures were clear, defensible, and shareholder-ready.”*

— Scott Hampton, Papa John’s

## CORE DELIVERABLES

-  **Grants of Plan-Based Awards Table**  
Complete award data, incentive metrics (threshold / target / max payouts), and ASC-718 valuations built for full disclosure readiness.
-  **Summary Compensation Table Elements**  
Transparent, consistent treatment of equity-based pay components across disclosures.
-  **Outstanding Equity Awards at Fiscal Year-End Table**  
Track vested awards, options, market values, and obligations in auditor-approved formats.
-  **Pay-Versus-Performance Disclosure**  
Market-leading development, tracking, and analysis for Pay-Versus-Performance disclosures via Infinite Equity’s MyPvP website.
-  **Option Exercises & Stock Vested Table**  
Clear reporting of realized gains, withholdings, and exercised instruments to minimize surprises.
-  **CD&A Narrative Support**  
Analysis assisting in the crafting of pay-and-performance narratives that meet investor expectations and communicate your company’s story with clarity.

## + SUPPLEMENTAL DELIVERABLES

-  **CEO Pay Ratio**  
Calculation and disclosure support for the CEO Pay Ratio, including median employee identification, ratio calculation, and proxy-ready documentation.
-  **Potential Payments Upon Termination or Change-in-Control**  
Calculation and review of termination and change-in-control payment tables, including equity acceleration and severance impacts.

## Why Leading Companies Trust Infinite Equity

### Deep Equity Compensation Expertise

From plan design to disclosure, our team delivers strategic and technical guidance across the full equity lifecycle.

### Strategic Precision, Streamlined Costs
